

Help Us Ensure No Student is Left Behind!
Sponsor a Student for the 2025/2026
School Year

For the 2025/2026 school year we want all students in The Almaguin Highlands to have access to backpacks and school supplies to help them get the most out of their school experience. You can help our students and families in need with a donation to The Women's Own Resource Centre's Back to School Drive!

Backpacks and school supplies are expensive and represent a difficult purchase for some students and their families. With your help each student will receive a backpack, running shoes, lunchbox and a basic school supply kit based on their grade.

We are looking to support students in all grades from
Kindergarten - Grade 12.

If you would like to sponsor a student in need or for more information, please contact us at 705-386-9672 or email us at

info@womensownresource.org

Monetary donations can be dropped off at our office located at
105 Ottawa Avenue, South River.
